TRACE

1. Tape the parchment over the pattern.
2. Use the white pencil to rule lines around the border and the outline of the oval

COLOUR (dry technique)

3. Without tracing the flowers, leaves or bow, colour directly over the pattern.
4. Edge the top of the tulips in yellow. Use tuscan red for the shadows and a little cream for the highlights with carmine and crimson reds as the main colours.
5. The bow uses the same reds but the deepest shadows have a touch of black and the highlights are done with white over the top of the reds.

EMBOSS

6. Turn the parchment face down on the embossing mat.
7. Emboss the lines of the border with a ruler and oval with a small ball embosser.
8. Emboss the tips of flowers and leaves.

9. Turn the parchment face down on the bold grid.
10. Using a small or medium ball embossing tool, emboss dots as per grid pattern A.
11. Remove from the grid and emboss the "star" lines in alternating squares between the embossed dots with a fine stylus.

PERFORATE

12. Turn the parchment face up on the perforating mat.
13. Using the 5 needle tool perforate around the oval leaving spaces to emboss with the micro sun tool.
14. Perforate between the "stars" in the oval grid pattern with the fine 4 needle tool.
15. Perforate around the border with the almond tool. In between perforate with the fine twin.

16. Turn face down again on the embossing mat and emboss the centre of the 5 needle perforations as well as the micro sun embossing between them.
17. Emboss inside the almond tool perforations.

18. Place back on the perforating mat face up and re-perforate with the 5 needle tool, twisting left and right slightly each time.

CUT

19. Cut the crosses in grid pattern A.
20. Cut around the outer edge.
21. Fold down the left embossed line and attach to card stock with double sided tape on the back of the card.
